

Level 1 Seminar

The Art & Science of Bike Fitting - Educational Seminar

Who should attend?

Anyone that would like to be a Professional Bike Fitter - Cycling/Tri Coaches, Team Mechanics, Physical Therapists / Clinicians, Bike Shop Fitters – anyone wanting to learn more and/or improve their bike fitting skills.

What will this seminar teach me?

The two day Bike Fit Education Pro certified workshop (Green Level) will include extensive hands on training, including special emphasis on the important Foot/Pedal interface. Learn to assess cyclists and solve problems by making appropriate adjustments. Use Bike Fit tools that improve adjustment accuracy and save valuable time. Both theoretical and practical applications will be covered.

When:

Please indicate date preference. Please refer to schedule options online at: <http://www.bikefit.com/schedule10.php>

Where:

12518 130th Lane NE
Kirkland, WA 98034

Why attend?

To learn how to provide and/or improve my knowledge of professional bike fitting services at BikeFit's global HQ in the Seattle metro area. Knowing how my Bike Fit Services help people experience the joy and wonder of riding a bike. To help cyclists of all abilities, on all types of bikes, to produce more power & perform better, so as to reach their maximum potential. USAC [2.0] & USAT [10] CEUs available.

Continued support is provided after the course is completed. E-mailed educational tips and helpful hints, along with other premium benefits will be provided upon completion of the course. Phone consultations with instructors will also be available.

To Attend:

Call 425-821-7237 (Pacific Time zone),
e-mail info@bikefit.com,
or fax 425-814-6125 your information to the staff at BikeFit.com.

Cost is \$750 per person (\$250 non-refundable deposit).
