

## VV1 MTB Cleat

Part# 84001

**VV1 Cleat** -- providing all the stability and support of our traditional Cleat Wedges but with tilt built directly into an SPD compatible mtb cleat.

patent pending **MSRP \$34.<sup>95</sup> /pair**

### The new way to ride the trail.

Mountain biking places high demand on our bodies and equipment. At BikeFit, we listened to our customers and developed a new cleat to meet these demands and rugged conditions.

Greater performance...  
Better ride.
